

Wjec Psychology for As. by Julia Russell, Matt Jarvis

Studying Psychology at AS level? Here's your chance to learn it, love it, and get a better grade than you may have thought possible with WJEC Psychology for AS! Our writing team includes experienced examiners and authors who have written exactly to the WJEC specification from scratch. They have covered every option in the AS specification in manageable sections. Core information is set out simply - supported by illustrated key terms and examples to help you understand topics and concepts from a new angle. When you've got the basics, there is a raft of activities and exam help preparing you for assessment. Inside the colourfully designed and illustrated pages you'll find features to help you: - Identify key topics, plan your learning and revise for the exam - Guidance on both A01 and more complex A02 questions - Extension activities for reinforcing key ideas and helping boost grades. So take this chance to breeze your AS with a complete topic guide and exam support in WJEC Psychology.
