

What Is Psychoanalysis (Classic Reprint)

Excerpt from What Is Psychoanalysis
The origin and purpose of this book may be stated in a few words. From time to time physicians, clergymen, social workers, and laymen have made certain enquiries concerning psychoanalysis, with particular reference to its aim and purpose and its field of usefulness as a therapeutic procedure. These questions were recorded and the answers planned, partly on the basis of the theory of psychoanalysis, and partly with a view to meeting certain objections and criticisms which were made at the time the questions were answered. Much of these data is incorporated in the present little volume. About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
