

Dead to the World (Book 4) [Southern Vampire #4]

With the sure touch of a master (Crescent Blues), Charlaine Harris delivers the sort of vampire thrills that make Laurell Hamiltons Anita Blake novels so popular (Locus). In Sookie Stackhouse-a Southern cocktail waitress with a supernatural gift-Harris has a created a heroine like few others, and a series that puts the bite back in vampire fiction. Now the hit series launches into hardcover for Sookies biggest twist-filled adventure yet.
