Orphan Mage (The Fifth Trilogy)

The Blance is shifting and the Forces of the Dark are massing, led by an immortal Sorcerer who will stop at nothing to see Chaos reign supreme. All that stands in his way is a friendless youth plucked from obscurity by the ancient Foretelling of a boy who would bring the Gods back to Midgarte--the Champion of Order, the Sapphire Son. The first book of The Fifth trilogy introduces Danken Sariksen, who is destined to become the Orphan Mage. This debut fantasy adventure novel is fast paced, has strong narrative drive, and is populated with fantastic and unforgettable characters.
