Daemon Skye came home after the Tunnel Wars to enjoy a rich life in Skye Tower. Ericca Ludwigs father Branch Archer never returned. But with the help of Albert and Leonardo, two long-deceased thinkers who live in her baby blanket, Ericca discovers the hidden world of Saplings and Ringgolds, and magical time tunnels. Can Branchs fate be reversed with a loop in time? Ericca and her friends pursue clues to this question in a delightful madcap adventure under the shadow of familiar issues.
