

Jigme Dorji Wangchuck National Referral Hospital is the busiest hospital of Bhutan located in the capital city Thimphu. The health workers puts maximum effort round the clock in providing HUMANE FACE service to the clients. The Nurses (light in darkness) shoulders great responsibilities in nursing a new born baby to an elderly client, trying hard to light up their face with smile despite PAIN and suffering.

Talking about Death Wont Kill You, Claude Monet 1840-1926: A Feast for the Eyes, The Sword of the South (Norfressa), The Other Worlds, AIDS and Accusation: Haiti and the Geography of Blame, Updated with a New Preface Second ,Revis Edition(Paperback) by Farmer, Paul published by University of California Press, Catalogue of Foreign Paintings: 1800-1900 v.2 (Vol 2), Asian Art Now, AIDS in Afrika - Eine Einfuhrung (German Edition),
