

A Dryden Collection: 3 stories in the Dryden Universe (Volume 4)

Three exciting stories from the Dryden Universe. A Matter of Trust Pursued by her fathers agents Princess Amira races across the galaxy in a desperate search for a safe haven. Amid simmering tensions at the edge of the Empire, she renews her acquaintance with Imperial Admiral UI-Mellor. But what will he do when faced with a choice Amira or his hard-won commission? The Demons Eye Escaping from a civil war, Krystina Merkos hitches a ride on an Imperial warship. But its not all plain sailing. The captain wants to seduce her, her old flame Ben is trying to keep his distance and pirates want to sell her to the murderous sect waging war on her father. When pirates attack the frigate, Krys must make a difficult choice. Eye of the Mother Somebodys murdering Yrmaks and Humans, and leaving a mysterious calling card. Somebody wants interspecies war. Imperial agent Tian Axmar hires tramp freighter captain Brent Walker and his ship to help her investigate, delving into Yrmak customs and beliefs to understand whats going on. Its an increasingly dangerous game, with more than just lives at stake. Before its over Brent and Tian will be faced with choices which will change both of them forever.
