

Noose Jumpers: A Mythological Western

The Noose Jumper Era - A chaotic time of lawlessness in the Old West when a growing tide of outlaws engaged in a race to become famous. Three young men emerge from a small town in the territory of New Mexico. They are bound by a pact and guided by mysterious powerful beings that no one else can see. Together they must face off against the Sheriff of Puerta de la Muerte, a wicked man who cannot be struck by bullets. Are they destined to become legends, or are they just mere Noose Jumpers? Noose Jumpers is written by Trevor H. Cooley, author of the highly acclaimed Bowl of Souls series.
