

Street Fighter #3 (Volume 1)

Cover #3 (W) Ken Siu-Chong (A) Alvin Lee, Arnold Tsang, and Andrew Hou (Cover A) Alvin Lee & Ramil Sunga (Cover B) Kia Asamiya (Cover C - Jo Chen) THE CONCEPT: From every corner of the world, martial artists, boxers, wrestlers and fighters of every conceivable sort perform superhuman acts on their willing (or unwilling) participation in the Street Fighter Tournament-the contest being hosted by M. Bison, the sadistic dictator and leader of the underground Shadaloo criminal organization. Some contestants fight for reasons as diverse as their nationalities... some fight for money, answers, or vengeance, while others fight for reasons completely shrouded in mystery. Street Fighter, the legendary franchise that revolutionized gaming and entertained players and fans for over a decade with its unforgettable cast of World Warriors, finally hits the printed page with every pulse-pounding Dragon Punch and bone-crushing Sonic Boom intact, just like it was meant to be! THIS ISSUE: Deadly Pasts. Ryu is confronted and taunted by Master Goukens murderer in the dark forest surrounding the dojo. Meanwhile, Ken and his wife, Eliza, is unknowingly placed directly in harms way when Vega, one of Bisons most sadistic right-hand-men, decides to use them to get to Ryu. Chun-Li and Guile, also on Ryus trail to discover what Bisons interest in him could possibly be, arrive in Japan. But their investigation is abruptly interrupted when a ghost from Guiles past re-emerges. PLUS! Legendary X-Men artist and Japanese Maga Superstar Kia Asamiya contributes an explosive backup story taken from Ryu and Kens old training days!
