

The Book Of Urizen: The Second Book of the Marriage of Heaven and Hell (Volume 2)

If it can be imagined, it can exist, and the power Anna and Griff possess stretches imagination to the limit. It is a power to create, a power to destroy, a power others would covet. Separated by the breadth of a world whose limits are forever being redefined, whose boundaries are never fixed, their only aim is to be reunited, to regroup with their friends and return to their own world. In their way are daunting obstacles... the Forest of Biomorphic Abstraction, the River of Discontinuity, the City of Shadows... and ruthless people who would see them fail.. Lady Haggitha and her ambitious nephew, Madame le Roy and the Daughters of Albion... and the Ancient of Days himself, Urizen. The Book Of Urizen is the second in the series The Marriage Of Heaven And Hell, continuing a journey which began with The Book Of Los.
