

Chapters in the History of the Insane in the British Isles (Classic Reprint)

Excerpt from Chapters in the History of the Insane in the British Isles I think it was Pascal who said that the last thing an author does in making a book is to discover what to put at the beginning. This discovery is easily made in the present instance. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
