

The Hidden City: The House War, Book 1

At last, the story fantasy fans have been waiting for! The incredible story that fans of The Sun Sword series have been waiting to listen to - the battle for control of House Terafin. Orphaned and left to fend for herself in the slums of Averalan, Jewel Markess - Jay to her friends - meets an unlikely savior in Rath, a man who prowls the ruins of the undercity in search of artifacts and treasure. Nursing Jay back to health is an unusual act for a man who renounced his own family long ago, and the situation becomes stranger still when Jay begins to form a den of other rescued children in Raths home. But worse perils lurk beneath the slums: The demons that once nearly destroyed the Essalieyan Empire are stirring again, and soon Rath and Jay will find themselves targets of these deadly and ruthless beings.
