

The Kingdom

Trapped on Earth since the fall of Lucifer, Prince Rioghan has left thousands of broken hearts in his wake, and he wants Lilys to be the next. His father, the High King of Fairies, expects Rioghan to behave like the royal he is, but the challenge Lily presents is too inviting. Accustomed to living in her famous mothers shadow, Lily guards her heart behind a prickly exterior. The harder she resists, the faster he falls, until she becomes the very center of his existence. When Rioghan chooses love over the power of the throne, he infuriates his father and upsets the age-old balance between good and evil. A battle is coming--a fight to the death for true love, honor, and The Kingdom.
