

The Nathan Daniels Saga: Part 2

Two months after accepting his life changing mission, the fickle hand of fate had dealt Captain Nathan Daniels a losing hand. The Nola was dead in space, and mysterious bandits had made off with his cargo as well as his passengers! The Nathan Daniels Saga: Part 2 continues the adventures of Nathan, Remi and Omany as they attempt to reunite and continue on their year long voyage through known space. How will Nathan repair the Nola? Who were the mysterious bandits? Will Remi and Omany escape their captors? Are the Princess and her mentor even still alive? The answers to these questions are in the pages of this book!
