

## Journey To Drekmore: Book 1 Of Drekmore Series

Enter the World of Coren. A place where legend is reality and reality is an old forgotten myth. A reclusive young mage is brought into a fiery princess's quest to free the Ancient Winged Ones from their prison within the Glass Dome. From the heart of the Elf Kings kingdom, his granddaughter sets out on her quest with her cousin by her side. In a chance encounter in the Wild Woods of her grandfathers kingdom, the princess and her cousin are bested upon by the Immortals men. It is only when they encounter the mage in a small village known as Grekan, as a trial is underway for the punishment of a crime committed long ago, does the mage realize exactly what he is being drawn into? A savage attack by the Speaker of the Wild Woods leaves the princess on death's door. Her only hope for survival is that of the reluctant mage. Will he do what is right? Will he turn her over to the Immortal? Find out what happens.....
